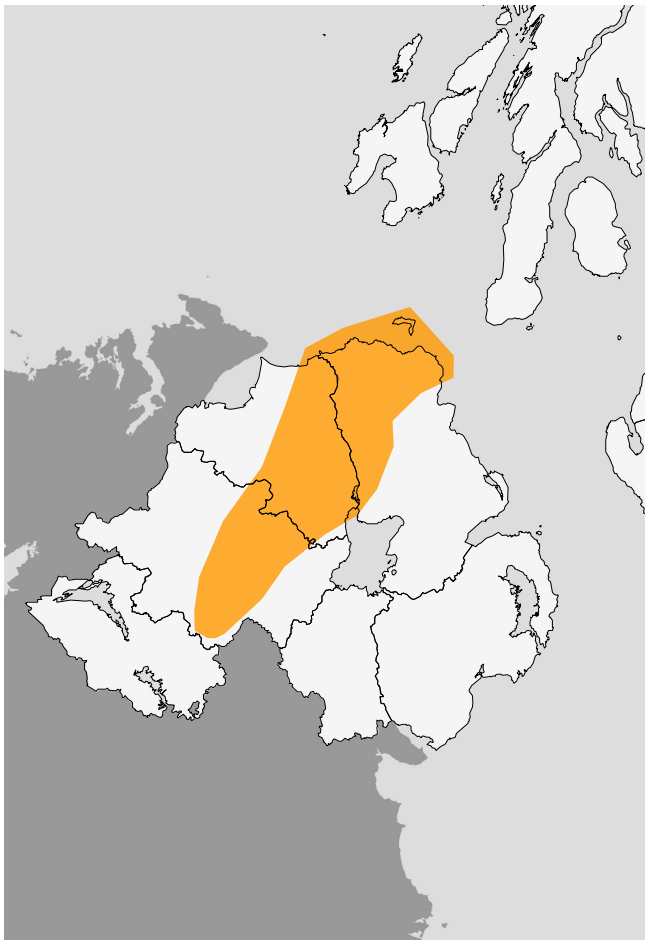
Amber warning
Thunderstorm

Between
17:00 Sun 14 Aug 2022 and
22:00 Sun 14 Aug 2022



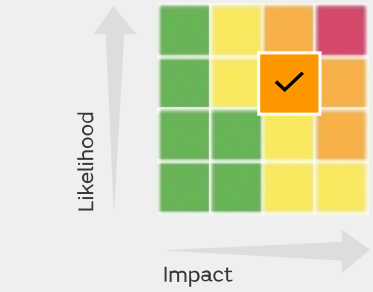
Thunderstorms likely to bring torrential downpours causing travel disruption and, in a few places, flooding.

What to expect

- Flooding of homes and businesses is likely and could happen quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Fast flowing or deep floodwater is likely, causing danger to life
- Where flooding or lightning strikes occur, delays and some cancellations to train and bus services are likely
- Spray and sudden flooding probably leading to difficult driving conditions and some road closures
- Some communities likely to become cut off if roads flood
- Power cuts likely to occur and other services to some homes and businesses could be lost

Further details

Thunderstorms currently affecting parts of Northern Ireland will produce further torrential downpours this evening. Hail and frequent lightning will be additional hazards with as much as 60 mm of rain falling in two or three hours in a few places.



Medium likelihood of medium impacts
